

CASCADING DROPLETS –THE MONSOON WEEK

Drip drop the rain ...and with this our Pre-Schoolers engaged themselves into pleasurable activities like *"Collage making on the Rainy Season by tearing, pasting, writing thoughtful message, Umbrella making, Sailing of paper boats, Froggy jumps"* etc during *"Cascading Droplets-The Monsoon Week"* which was celebrated which was celebrated from 18 July to 22 July 2016.

Their joy had no bounds when the tiny hands floated the paper boats in the school splash area. They also rejoiced making collage on raining season as a joint activity, zestfully participated in making colored umbrellas and reciting Monsoon Poems. The aforesaid activities not only helped the students in honing their motor skills but also enhanced their learning ability and recitation skills.
